Covid-19 Security Measures in place at Old Downton Lodge

We have made a few changes at Old Downton Lodge to make your Dining Experience as safe and secure as possible without altering the great pampering we offer:

We have introduced a one-way system so please enter the premises through the sitting room. (All signed) The exit will be through the dining room.

Hand sanitiser will be available at our Entrance and Exit. Please do use them for your protection and ours, we also encourage you to frequently wash your hands.

There is an enhanced cleaning system in place across the whole of the premises.

Our Menus, Bar List and Wine List are accessible from when you log onto our WiFi or our Website. Hard copies will be available, but we would prefer you to use the online version where possible

Meals will be in the dining room and sitting room as we have spaced out our tables so that guests can socially distance. You will still be able to order all items from your waiter or waitress.

If you or anyone in your party is not well, please let us know as soon as possible so we can rearrange your booking

Kind Regards,

Willem and Pippa Vlok
